

Food And Nutrition

- 1 (a) what is food poisoning?
- 1(b) State any five causes of food poisoning and 6 ways of preventing food poisoning.
- 2 . State the food sanitation laws...

Catering Craft Practices

- 1a. what is Table cover
- b. list and explain the different types of covers in catering.
2. .state the different styles of napkin folds and draw them

Economics

- 1) Define the following:
 - a) Instrument of business
 - b) Finding
 - c) Sweat equity
 - d) Financing
 - e) Soft Funding
- 2) Define shares and describe the types you know
- 3) Discuss the sources of fund for business in Nigeria
- 4a) Define stock and debenture
- b) Explain the differences between shares and stock.

Further Maths

Answer All.

- 1(a) Prepare the table of values of $y = 3\sin 2\theta - \cos \theta$ for $0 \leq \theta \leq 180$ at an interval of 00 to 300
- (b) Using a scale of 2cm to 300 on the θ axis and 2cm to 1 unit on the y axis, draw the graph of $y=3\sin 2\theta - \cos \theta$ for $00 \leq \theta \leq 180$.
- (c) Use your graph to find the:
 - (i). solution of the equation $3\sin 2\theta - \cos \theta = 0$.
 - (ii). The maximum value of y correct to 1dp ?

Visual Art

- 1, What is modeling?
- 2, list 5 materials for modeling.
- 3, State 3 methods of modeling Ceramic Wares.

Financial Accounting

1. What are errors that do not affect the trial balance?
2. Explain error of omission with an example.
3. Differentiate between error of commission and error of principle

Physics

With the aid of a recommended physics textbook,
Write a comprehensive note on the PARTICLE NATURE OF MATTER
Mainly,

1. The molecular theory
2. Evidence of the particle nature of matter
3. Brownian motion
4. Diffusion
5. Real live examples

Citizenship & Heritage Studies

- (1) what is cultural exchange and tourism?
- (2) state five (5) importance for heritage and economy.

Mathematics

Ss1 mathematics workbook, chapter 14, page 159,160,161 and 162.

CRS

(John 4:46-54, 9:1-7)

- 1) Where was Jesus when he was called to heal the official's son?
- 2) The official was from—?
- 3) At what hour did the official's son became well?
- 4) Jesus said "as long as i am in the world, i am the—?"
- 5) "Go wash in the pool of Siloam"
 - a) who said this?
 - b) To whom?
 - c) what happened after?

Biology

Instruction: Answer All

- 1a Classify plants according to their life cycle.
- b, Give one example of each crop in the answers in (1a) above
- 2) List four Agricultural activities which may affect the ecological system.
- 3a) List four farming methods which may affect ecological system.
- 4a) List six pest of crops
 - b) Name four major ways of controlling pest.
- 5) List seven ways by which micro organisms can be controlled.
- 6) Discuss the functions of the followings, WHO, UNICEF, The Red Cross society.
- 7a) Define a vector, Name one example of a vector, The pathogen it transmits
 - b) Name diseases transmitted by vectors.

Agricultural Science

- 1) define agricultural mechanization
- 2) what are the limitations of agricultural mechanization in Nigeria
- 3) enumerate 6 sources of farm power
- 4) classify crop on the following bases (i) uses (ii) morphology

Commerce

- 1) List the necessary documents used in foreign trade.
- 2) Differentiate between balance of trade and balance of payment
- 3) What are the divisions of foreign trade
- 4) State the procedure for foreign trade

Igbo Language

1. Guo Akwukwo JUO OBINNA isi nke ato nke oma, Dee ihe niile I ghotara na ya.
2. Deputa ilu ato sitere na isi nke ato ahu, ma kowaa ihe mere e ji tuo ilu ndi ahu

Geography

- (1) what is weather?
- (2) Differentiate between weather and Climate.
- (3) State five elements of weather and Climate.
